

PHILIPPINES FUN FACTS

Capital:
Manila

The Philippines make up an archipelago, also known as an island chain. The country includes more than 7,000 individual islands.

The Philippines produce more coconuts than any other nation in the world. It's also known for exporting other tropical fruit, like mangos and pineapples.

The Philippines are the home of more than 200 volcanoes.

Bible Truth:
God wants to use you right where you are.

Key Verse:
"I want you to know, brothers, that what has happened to me has really served to advance the gospel!"

PHILIPPIANS 1:12
