Encouragement for You

Need some inspiration on the journey?

Your child has been studying the different characteristics of God's gift to us - the Bible. To grow in your relationship with God, you need to be reading and studying God's Word. Is there a part of the Bible you haven't read recently? Find a time this week to read from a section in the Bible that you don't read as often!

Make It Stick

Do you need a creative activity to help with memorizing verses? Read this suggested activity and look for a time this week when you can do this with your child!

Review: Make It Stick — Every child is unique and created differently. If your child is having difficulty memorizing, experiment together. Does it help to move while he or she is memorizing or reciting? He or she could walk in place. Are distractions a problem? Sometimes saying verses with eyes closed and ears covered can help eliminate distractions. Be creative and help your child figure out what works best for them!.
